

# Who makes chocolate milk?

Find the answers to this and other intriguing agriculture questions during our one day, hands-on workshop, focused on finding ways to get agriculture in your class.

## Goal

See how math and science relate to how farmers grow and produce the food we eat and the clothes we wear.

## Lesson Plan

Date: Wednesday, July 15, 2009

Location: Lake County  
Farm Bureau Office  
2008 N. Main St.  
Crown Point, IN

Time: 9:00 AM—5:00 PM  
check-in 8:30 AM

Activities: Ideas on ag lessons to be  
used in the classroom  
Tour local farms and ag facilities

**Register by July 1st**

**Limited to first 15 registrants!**

**“The day that I spent at the Farm Bureau workshop was time well spent! I came away with tons of resources, ideas, and materials. The day was interactive and full of practical ideas that I could use right away!”**

**- workshop attendee**

## Future Growth Potential

- Free lesson materials and videos
- Lessons tied to State Education Standards
- 3 CRU Graduate Credits, for those that qualify
- **Access to the state's largest ag organization - Indiana Farm Bureau, Inc.**
